The use of Online Banking requires that cookies be enabled on your web browser. This requirement is aimed to achieve an additional layer of security for your online banking. Marseilles Bank's Multifactor Authentication is in the form of a cookie placed in the web browser. This cookie remembers whether or not the computer you are using is registered with your online banking account. If the Online Banking session does not find the cookie, the user then needs to enter a passcode that is sent either by phone or email. This helps to verify the user with an additional layer of protection.

- NOTE: E-mail transmissions outside of the Online Banking site are not secure. We advise you not to send us or ask for sensitive information such as account numbers, Password, account information, etc. via any general or public e-mail system. VIII. Linked Accounts

All accounts with the Bank that you enroll in a service will be linked by the tax identification numbers of the persons authorized to access the account. The linked accounts will appear together without regard to the ownership of the accounts. For example, if an authorized user of

XI. Electronic Fund Transfer Provisions for Customers

A. Applicability. These provisions are only applicable to online electronic fund transfers that credit or debit a consumer's checking, savings or other asset account and are subject to the Federal Reserve Board's Regulation E an ("EFT"). When applicable, the Bank may rely on any exceptions to these provisions that are contained in Regulation E. All terms that are not defined in this Agreement, but which are defined in Regulation E shall have the same meaning when used in this section.

B. Your Liability. The following determines your liability for any unauthorized EFT or any series of related unauthorized EFT's:

1. If you notify the Bank within two (2) business days after your password was lost or stolen, your liability will not exceed \$50.00 or the amount of the unauthorized EFTs that occur before notification, whichever is less
2. If you fail to notify the Bank within two (2) business days after your password was lost or stolen, your liability will not exceed the lesser of \$500.00 or the total of:
 - \$50.00 or the amount of unauthorized EFTs that occur within the two(2) business days; and
 - The total of unauthorized EFTs which occur during the two(2) days before notification to the Bank, provided the Bank establishes that these EFTs would not have occurred had the Bank been notified within that two-day period.
3. You must report an unauthorized EFT that appears on your periodic statement, no later than 60 days of transmittal of the statement to avoid liability for subsequent transfers. If you fail to do so, your liability will not exceed the amount of the unauthorized EFTs that occurred after the close of the 60-day period and before notice to the Bank and the Bank establishes they would not have occurred had you notified the Bank within the 60-day period. You may also be liable for the amounts as described in sections 1 and 2 above.
4. If the report is made orally, we will require that you send the complaint or question in writing within 20 business days. We will notify you with the results of the investigation within 10 business days and will correct any error promptly. If more time is needed, however, we may take up to 45 days to investigate a complaint or question. If this occurs, we will credit your account within 10 business days for the amount you think is in error. This will allow you to use the money during the time it takes us to complete our investigation. If your complaint or question is not received in writing within 10 business days, we may not credit your account until the investigation is completed. If an alleged error involves an electronic fund transfer outside a state or territory or possession of the

United States, the applicable time periods for action by us are 20 business days (instead of 10) and 90 calendar days (instead of 45). If we determine that no error occurred, we will send you a written explanation within three business days after the investigation is complete. You may request copies of the documents that were used in the investigation.

5. You may notify the Bank by telephone, writing, or by e-mail using the Secure Email form provided in our Online Banking site. Notification by general e-mail to report an unauthorized transaction is not secure and therefore not advised.

C. Telephone Numbers and Addresses. In case of errors or questions regarding an Online Banking transaction, call 815-795-3900 or write us at:

During the time the retained check is available, you agree to promptly provide it to Marseilles Bank upon request.

10. Deposit Limits. We may establish limits on the dollar amount and/or number of items or deposits from time to time. If you attempt to initiate a deposit in excess of these limits, we may reject your deposit. Our current limits are as follows:

- 18. Enforceability.** We may waive enforcement of any provision of this Agreement. No waiver of a breach of this Agreement shall constitute a waiver of any prior or later breach of the Agreement. Any such waiver shall not affect our rights with respect to any other transaction or modify the terms of this Agreement. In the event that any provision of this Agreement shall be deemed to be invalid, illegal, or unenforceable to any extent, the remainder of the Agreement shall not be impaired or otherwise affected and shall continue to be valid and enforceable to the fullest extent permitted by law.
- 19. Ownership & License.** You agree that Marseilles Bank retains all ownership and proprietary rights in the Services, associated content, technology, and website. Your use of the Services is subject to and conditioned upon your complete compliance with this Agreement. Without limiting the effect of the foregoing, any breach of this Agreement immediately terminates your right to use the Services. Without limiting the restriction of the foregoing, you may not use the Services (i) in any anti-competitive manner, (ii) for any purpose which would be contrary to Marseilles Bank's business interest, (iii) to Marseilles Bank's actual or potential economic disadvantage in any aspect, or (iv) in any manner inconsistent with state or federal regulations or law.
